* **54** **Proposed Diversion: Bridleway No. 6, East Anstey**

(Councillor J Yabsley attended in accordance with Standing Order 25 and spoke in support of the officer recommendation).

Mrs L Moore, the applicant, attended the meeting under the Council's Public Participation scheme and spoke in favour of the officer recommendation.

The Committee considered the Report of the Director of Climate Change, Environment and Transport (CET/23/16) examined a landowner application to divert a public bridleway in the parish of East Anstey.

The proposal was made to facilitate improved privacy, and to enable the applicant to better enjoy use of their garden and paddocks. The diversion would also benefit users of the bridleway by improving ease of access. The proposal was shown on plan no. CCET/PROW/22/15.

Members agreed that the proposed modification order would likely facilitate increased usage of the bridleway as users would not have to move conspicuously past the applicant's house and near their garden, which would be likely to discourage use.

RESOLVED that a Public Path Diversion and Definitive Map & Statement Modification Order be made to divert Bridleway No. 6, East Anstey from the line A – B – C – D to the line A – G – F – E as shown on drawing no.
