# Agenda Item 5

## CONTEXT:

We want Devon to be the best place to grow up, live well and prosper. We want to listen, learn, improve and be curious and inclusive. We are ambitious for Devon and committed to transforming the way we lead and work to improve outcomes for the people of Devon.

Devon has an increasing population of elderly residents and many of these require services that can keep them independent within their chosen communities. The authority also provides services and support to those individuals, and their families, with a learning, physical or mental health disability.

The Adult Social Care function within Devon County Council is responsible for the commissioning of £300 million of care services for vulnerable people in the County. Future demographic and budget pressures within the authority means that this will be an ever-challenging task with new thinking and solutions needed.

This post incorporates all the Council responsibilities relating to quality and commissioning of social care services for adults and their families and carers, as required by the Care Act (2014). It is responsible for commissioning effective, efficient, and safe social care services that represent best value.

Deputy to the Director of Integrated Adult Social Care and working alongside the Deputy Director – Operations, the post-holder will, with the Integrated Adults Social Care Leadership Team, lead the development and delivery of the partnerships and the council's ambitions for vulnerable adults in Devon.

The postholder will work in an integrated way across commissioning functions with NHS partners with active engagement in the Integrated Care System. As part of the Integrated Care System (Devon), the post holder is responsible for working with NHS partners to ensure the commissioning of appropriate, effective, localised and joined up health and care services. As lead for strategic commissioning of integrated adult social care, the postholder is responsible for promoting independence for individuals and working with partners across the NHS, Housing sector, Community & Voluntary Social Enterprises and Independent care provider sectors which is key to improving the outcomes for citizens in Devon.

The postholder will demonstrate the organisation's core principles and behaviours promoting a positive culture of personal responsibility and accountability to meet the legal expectations, policies and frameworks for example Employment Law, Health and Safety and General Data Protection Regulations.

The postholder will support collective ownership of the Council's vision, direction, and priorities.

The postholder will lead and act on equality, diversity, and inclusion so everyone within our workforce and community can feel safe, well and thrive.

The postholder will collaborate well, make good decisions, and use resources effectively to ensure the organisation thrives and is financially resilient.

The postholder will be curious and committed to understanding the opportunities of new and emerging digital technologies, automation, and artificial intelligence in supporting the

council to continually evolve, adapt and transform so that we can deliver the most effective services for the people of Devon.

The postholder will make a key contribution to the strategic leadership of the County Council and advise key Cabinet Members on policy and strategy.

The postholder is responsible for ensuring that the Council will not only fulfil its statutory duty but will influence and drive the pace of change for the whole marketplace, finding innovative ways to continuously improve choice and control and deliver cost-effective outcomes that promote the wellbeing of people requiring care and support.

The postholder will lead, inspire, and nurture our workforce, hear the voices of our citizens and communities, embrace equality and diversity, and be committed to creating and maintaining a workplace and county that is inclusive and safe for all.
