CABINET MEMBER REMITS

8.0 The responsibilities of the Cabinet shall be divided into the following Remits. Cabinet Members will also exercise regular budget monitoring of the resources allocated by the Council for those purposes, seek to achieve best value in the services for which they are responsible and have regard to the Council's policies and strategic objectives with respect to sustainability and health and wellbeing generally, to achieve the co-ordinated management of the Council's plans and policies and the integrated delivery of services for the people of Devon. Where elements of these Remits overlap with another, Cabinet Members will exercise their responsibilities jointly, particularly in respect of identifying the future delivery and direction of services.

8.1 Policy, Corporate and Asset Management

Responsibility for the overall strategic direction and the development of external relations and partnerships including Team Devon, and oversight of the formulation and coordination of corporate planning and policy development within the Council's Policy and Budget Framework and, in particular, the oversight of its governance and external affairs arrangements.

Also responsible for the management of the Council's property, the use of its assets and the development of its estates, including the schools' and education property portfolio and the Farms Estate.

8.2 Integrated Adult Social Care & Health

Responsibility (a) as Lead Member for Integrated Adult Social Care for the discharge of all the Council's statutory functions, powers and duties under Social Services legislation and all the functions of the Council which relate to the care and welfare of adults and those entering adulthood, including those with additional needs, the commissioning of integrated social care and health services for those in need; adult protection and harm reduction services and the provision of services for families with most complex needs and support for careers and (b) for fulfilling the Council's statutory lead role in relation to the Council's Health & Wellbeing Board.

8.3 Children's Services and Schools

Responsibility as Lead Member for Children's Services, for the discharge of all the Council's statutory functions, powers and duties in relation to children's social care and education and learning (excluding SEND): this to include the Council's functions as local education authority particularly in respect of schools, provision of learning services, strategic commissioning of integrated services for children & young people, school planning, school transport and early years services; for child protection and harm reduction services, the Youth Offending Service, children in care and support for

young carers: having regard to the Council's strategic objectives and working collegiately to secure the future delivery and direction of these services.

Cabinet liaison for co-ordinated management of the Council's plans and policies and the integrated delivery of services for the people of Exeter by the County Council and partner organisations acting as the Cabinet proponent for advancing the needs of and aspirations of the County's Capital City.

8.4 Children's SEND Improvement Services

Responsibility as Lead Member for Children's Special Educational Needs and Disabilities (SEND) and Inclusion Services, for the strategic direction and discharge of the Council's statutory functions, powers and duties in respect of services and support to children with special educational needs and disabilities. This includes assessment, provision and the commissioning of services relating to SEND: having regard to the Council's strategic objectives and working collegiately to secure the future delivery and direction of these services.

8.5 Climate Change, Environment and Transport

Responsible for the Council's commitment to Climate Change and the principles of the Devon Climate Declaration, in particular carbon reduction and working in partnership with public, private and voluntary organisations to achieve its objectives.

Responsibility for strategic and infrastructure planning generally and for the provision of transport services in the community, for coast protection planning and for those Council services which safeguard individuals in the community and enhance their quality of life including countryside management, heritage, biodiversity and conservation.

Responsibility for delivering the Council's major infrastructure schemes including all transportation links and the children's and adults services, highways, environment and corporate capital programmes, in cooperation with other Cabinet Members, integrating resources and utilising external partner relationships, and for the discharge of the Council's functions relating to public transport and other energy-related issues: having regard to the Council's strategic objectives and working collegiately to secure the future delivery and direction of services.

Also, Cabinet liaison for promoting gender equality and addressing issues that impact on representation in politics and the workforce, and acting as the Cabinet proponent for advancing the aspirations of the Council in its gender equality aims and objectives.

8.6 Economic Recovery and Skills

Responsibility for the progression and promotion of economic recovery and development of the County; the encouragement of employment through regeneration and investment; fulfilling the Council's lead role relating to the provision of post-16 education, training and skills for employment in schools, colleges and other settings and for the provision of trading standards and consumer protection: having regard to the Council's strategic objectives and working collegiately to secure the future delivery and direction of services.

Also responsible for fulfilling the Council's role in relation to Freeports.

8.7 Finance

Responsible for and the oversight of the Council's finances, annual budget setting, medium and long term financial planning, monitoring of expenditure, year-end closure of accounts and Treasury Management activities, to achieve value for money in the delivery of Council services.

8.8 Highway Management

Responsibility for the discharge of the Council's powers and duties as a Highway Authority, taking particular account of road safety requirements and asset management of the county highway network and for the implementation of a Local Transport Plan including the provision of cycle routes; having regard to the Council's strategic objectives and working collegiately to secure the future delivery and direction of services.

8.9 Organisational Development, Workforce & Digital Transformation

Responsibility for co-ordinating the management of organisational development and digital transformation in the Council to secure effective Council wide transformational outcomes for the benefit of citizens and communities including digital inclusion and digital skills.

Responsibility for the continuous improvement of performance and risk management across the Council, for workforce issues, the development of the Council's digital and technology platforms, Procurement systems and procedures, oversight of the Council's legal and communications services, including Freedom of Information, customer service arrangements and access to services by users and clients.

8.10 Public Health, Communities and Equality

Responsibility for the discharge of the Council's public health functions and health protection and promoting the health and wellbeing of the public and also responsible for those Council services which safeguard individuals in the community and enhance their quality of life: in particular local flooding,

waste management including recycling, community safety, food insecurity, financial hardship and other community inequalities, emergency planning and gypsies and travellers.

This includes collaborating with and supporting other public sector bodies, voluntary and community organisations to develop relationships for mutual advantage and community gain, working together for the benefit of people and communities in Devon.

Responsible for the Council's statutory duties and responsibilities in relation to equality, diversity and inclusion together with its own equality policies and objectives.

Responsible also for the Registration Service and for the provision of a basic adult learning services, a library and archives service and support for the arts and for the discharge of all the Council's statutory functions, powers and duties in relation to the provision of youth services.

Responsible for the Armed Forces Covenant and initiatives thereunder.
