Devon Safeguarding Adults Board

Annual Report 2015–2016

WELCOME FROM THE CHAIR

2015/16 was my last year as Independent Chair for the Board. It has been a privilege to see the work that goes on throughout the year; while the individual tragedies make the news coverage, I have seen the reality of caring, professional people, giving of their best in challenging circumstances. Much of what we have achieved has been based on the ability of all our constituent agencies to work together for the benefit of adults at risk. I would like, through this Annual Report, to express my appreciation and acknowledge all the staff and those who use the service and their families involved in the safeguarding of people at risk and handover to the new Chair.

Bob Spencer

NEW CHAIR

I am delighted to have been appointed to the role of Independent Chair for Devon Safeguarding Adults Board and look

forward to working with all partners. I have a background with 40 years' experience of working in social care, housing and health services and I welcome the opportunity to be working again in Devon. I am driven by a passion for ensuring all services to vulnerable people are person-centred, easy to access and importantly promote independence, whilst ensuring people are safe. Ensuring that people are supported to keep themselves safe is important, as it is to ensure that people are able to express what outcomes they wish to achieve. This is described as 'Making Safeguarding Personal' and I am personally committed to ensure that this is rooted throughout and across all partner organisations and that front line staff are supported to have the confidence in working alongside people to deliver this. **Siân Walker**

Executive Board

Key decisions have been made at this Board. It was attended by all member organisations and took place four times.

Themed Workshops

These are workshops that were held four times a year to look at key issues within Safeguarding. In 2015/16 these were used to develop the Business Plan for the Board and discuss how organisations share and manage information about safeguarding people.

Mental Capacity Act (MCA) Sub-Group

This group ensured that organisations have a good understanding of the MCA and also the Deprivation of Liberty Safeguards. This group discussed any information and key issues, and organised an MCA Awareness Week and Conference in February 2016.

Operational Sub-Group

This is where people who work in all the different organisations across Devon agree how they work together. The group work together to Safeguard and Protect Devon's citizens. Different organisations bring important updates on their work to share with the partners

Safeguarding Adults Review Group

This group gathers information and makes recommendations to the Chair on whether a review needs to take place and how that review is delivered. The group has a key role in organising and delivering the Reviews and then ensures outcomes are passed to the Board for dissemination of key learning and review amongst all

partner organisations. In 2015/16 Devon Safeguarding Adults Board completed one Safeguarding Adult Review.

Learning and Improvement Group

This group makes sure that all organisations are completing the right kinds of training and that this training is being used to improve how to Safeguard people.
