

**Definitive Map Review 2005-2007
Parish of Dunterton**

Report of the Director of Environment, Economy and Culture

Please note that the following recommendation is subject to confirmation by the Public Rights of Way Committee before taking effect.

Recommendation: It is recommended that the Committee note that to date there are no proposals for modifying the Definitive Map in the Parish of Dunterton.

1. Summary

The report concerns the Definitive Map Review in the Parish of Dunterton.

2. Background

The original survey under s. 27 of the National Parks and Access to the Countryside Act, 1949, revealed no public rights of way to be recorded on the Definitive Map and Statement for Dunterton in the Tavistock Rural District.

The reviews of the Definitive Map, under s. 33 of the 1949 Act, which commenced in the 1960s and 1970s but were never completed, produced no valid proposal for any addition, upgrading or deletion.

The Limited Special Review of Roads Used as Public Paths (RUPPS), carried out in the 1970s, did not affect this parish.

3. Consultations

The current review started in 2005 has consulted all statutory consultees and landowners. Proposals submitted to Devon County Council since the original Review were picked up, but produced no valid proposals for modification of the Definitive Map.

General consultations have been carried out since January 2006 and the responses have been:

County Councillor Mrs Marsh	-	no comment
West Devon Borough Council	-	no comment
Milton Abbot & Dunterton Parish Council	-	no comment
British Horse Society	-	no comment
Byways and Bridleways Trust	-	no comment
Country Landowners' Association	-	no comment
National Farmers' Union	-	no comment
Open Spaces Society	-	no comment
Ramblers' Association	-	no comment
Trail Riders' Fellowship	-	no comment
Cyclists Touring Club	-	no comment

4. Conclusion

There are no other recommendations to make concerning any modifications. However, should any valid claim be made in the next six months it would seem sensible for it to be determined promptly rather than deferred.

5. Legal Considerations

The implications/consequences of the recommendation have been taken into account in preparing the report.
