

## **Definitive Map Review 2010 Parish of Ringmore**

Report of the Executive Director of Environment, Economy and Culture

***Please note that the following recommendation is subject to consideration and determination by the Committee before taking effect.***

**Recommendation: It is recommended that it be noted that the Definitive Map Review has been completed in the parish of Ringmore and no modifications are required.**

### **1. Summary**

The report examines the Definitive Map Review in the Parish of Ringmore in the District of South Hams.

### **2. Background**

The original survey under s. 27 of the National Parks and Access to the Countryside Act 1949 revealed twelve footpaths and one bridleway in Ringmore, which were recorded on the Definitive Map and Statement with a relevant date of 1 December 1954.

The review of the Definitive Map, under s. 33 of the 1949 Act, which commenced in the 1970s but was never completed, produced no valid proposals for change to the Definitive Map at that time.

The Limited Special Review of RUPPs, carried out in the 1970s, did not affect the parish.

In 1985, the South Hams Parishes Order transferred Footpath No. 5 from Ringmore to Kingston Parish.

The following Orders have been made:

Devon County Council (Footpath No. 5, Ringmore) Public Path Diversion Order 1982.

Devon County Council (Footpath No. 6, Ringmore) Public Path Extinguishment Order 1982.

Devon County Council (Footpath No. 16, Ringmore) Public Path Creation Order 2000.

Devon County Council (Footpath No. 1, Ringmore) Public Path Extinguishment Order 2000.

Devon County Council (Footpath No. 1, Ringmore) Public Path Creation Order 2000.

Devon County Council (Footpath No. 2, Ringmore) Public Path Diversion Order 2000.

Legal Event Modification Orders will be made for these amendments in due course.

### **3. Review**

The current Review began in February 2010 with a public meeting held in the parish hall. A full public consultation was carried out in August 2010 and the review was advertised on parish notice boards, and in the Kingsbridge Gazette.

The responses were:

County Councillor William Mumford	-	no comment
South Hams District Council	-	no comment
Ringmore Parish Council	-	no comment
British Horse Society	-	no comment
Byways and Bridleways Trust	-	no comment

Country Landowners' Association	-	no comment
National Farmers' Union	-	no comment
Open Spaces Society	-	no comment
Ramblers' Association	-	no objection
Trail Riders' Fellowship	-	no comment

Several public path orders are required in the Parish to formalise walked routes where these differ from the definitive lines and these are currently being progressed under delegated powers.

#### **4. Conclusion**

It is recommended that the Members note that there are no proposals for modifying the Definitive Map in the parish of Ringmore. Should any valid claim be made in the next six months it would seem sensible for it to be determined promptly rather than be deferred.

#### **5. Legal Considerations**

The implications/consequences of the recommendation have been taken into account in preparing the report.

#### **6. Carbon Impact Considerations**

There are no considerations.

#### **7. Equality Considerations**

There are no considerations.

#### **8. Risk Management Considerations**

There are no implications.

#### **9. Reason for Recommendation/Alternative Options Considered**

To progress the parish by parish review of the Definitive Map in the South Hams.
