#### **MATTERS FOR INFORMATION**

- 11 Scrutiny Work Programme
- (a) Reference to Committee: South Hams Highways and Traffic Orders Committee – Safer and More Attractive Roundabouts - Cyclists and Pedestrians

The South Hams Highways and Traffic Orders Committee at its meeting on 24 November 2017 (Minute \*20(a)) resolved, *‘that in view of potential county wide implications of roundabout design with improved cyclist and pedestrian facilities, this matter be referred to the Corporate Infrastructure and Regulatory Services Scrutiny Committee, with a request that a task and finish group look into this matter’*.

Whilst Officers considered that in many instances roundabouts would be the preferred option over traffic light controlled junctions, sufficient land was not always available for a roundabout particularly one with enhanced pedestrian/cyclist facilities. However, all suitable options/new design models would continue to be considered for future schemes.

- (b) In accordance with previous practice, Scrutiny Committees are requested to review the list of forthcoming business and determine which items are to be included in the Work Programme. The Scrutiny Work Programme can be found at:  
<https://new.devon.gov.uk/democracy/committee-meetings/scrutiny-committees/scrutiny-work-programme/>

The Committee may also wish to review the content of the Cabinet Forward Plan to see if there are any specific items therein it might wish to explore further. The Cabinet Forward Plan can be found at:
