10 Scrutiny Work Programme

- (a) Reference to Committee: North Devon Highways and Traffic Orders Committee - Speed Limits: Mondeo Way, Barnstaple; and Hamlet of Eastleigh and Holmacott, and Newton Tracey

The Cabinet noted that at its meeting on 13 November 2018, the North Devon Highways and Traffic Orders Committee (Minute 46), considered this matter, as requested by Councillor Biederman, in accordance with Standing Order 23(2).

The Chief Officer for Highways, Infrastructure Development and Waste had reported on the national speed limit guidance, the work of the Scrutiny Task Group who were reviewing current local and national speed limit policy for report in due course, the Speed Compliance Action Review Forum (SCARF) process and the lack of road casualty records for the location.

The Committee had RESOLVED that Officers consider further options but that the Cabinet be requested to (b)(i) consider and review the speed limits and safety on the rural road network in Devon and write to Devon's MPs urging that they lobby Government to publish without further delay the long awaited Green Paper on Speed Limit Guidance; and (ii) ask the Chief Constable and the Police and Crime Commissioner to adopt a proactive approach to address reckless and dangerous driving on the rural road network in Devon.

The North Devon Highways and Traffic Orders Committee RESOLVED that Cabinet notes the views of the North Devon HATOC, with regard to their concerns on speed limits and refers the matter to the Corporate, Infrastructure and Regulatory Services Scrutiny Committee Task Group looking at speed limits for their consideration.

- (b) In accordance with previous practice, Scrutiny Committees are requested to review the list of forthcoming business and determine which items are to be included in the Work Programme. The Scrutiny Work Programme can be found at:
<https://new.devon.gov.uk/democracy/committee-meetings/scrutiny-committees/scrutiny-work-programme/>
