HEALTH AND ADULT CARE SCRUTINY COMMITTEE

Thursday, 24th January, 2019

A meeting of the Health and Adult Care Scrutiny Committee is to be held on the above date at 10.30 am at Committee Suite - County Hall to consider the following matters.

P NORREY
Chief Executive

AGENDA

PART 1 - OPEN COMMITTEE

- 1 Apologies
- 2 Items Requiring Urgent Attention
Items which in the opinion of the Chairman should be considered at the meeting as matters of urgency.
- 3 Public Participation
Members of the public may make representations/presentations on any substantive matter listed in the published agenda, as set out hereunder, relating to a specific matter or an examination of services or facilities provided or to be provided.

MATTERS FOR CONSIDERATION OR REVIEW

- 4 Budget 2019/2020: Overall Approach (Pages 1 - 30)
The 2019/20 budget proposals will be scrutinised with consideration of relevant service area budgets by individual Scrutiny Committees with the Corporate Infrastructure and Regulatory Services Scrutiny Committee considering both its own budget responsibilities as well as any issues raised by the Children's Scrutiny Committee and also the Health and Adult Care Scrutiny Committee, to produce an overarching series of

recommendations.

This approach will enable all Scrutiny Members to critique, question and challenge the budget proposals across services, to better understand the implications of the budget proposals across the Council and to make effective recommendations to Cabinet and the Council.

The proceedings of all Scrutiny Committees will be webcast and publicised through normal channels including Twitter and other social media.

The Council must have full regard to and consider the impact of any proposals in relation to equalities prior to making any decisions, as set out in equality impact assessments, and any identified significant risks and mitigation action required.

Public Participation

Additionally, there will be an opportunity for members of the public to address each Scrutiny Committee meeting and make oral representations/presentations on any matter relating to the proposed budget, in line with the public participation scheme.

This Meeting

At this and other Scrutiny Committees in the current cycle, Members are asked to identify salient issues within each Committee's areas of responsibility, to examine the general thrust of the budget and take an overview of priorities and prospects.

At this meeting Chief Officers / Heads of Services will report, inter alia, on:

- the Cabinet's Target Budget for services/suite of services;
- how that compares to the target figure for 2019/20;
- the likely implications of the 2019/20 target for individual areas of service (e.g. in percentage terms compared to current levels) and how those areas have been prioritised;
- any comparisons between the current year and next year's proposals for the major service areas, to illustrate the scale of change within those activities and how the budget has been allocated across services in those years (to illustrate changes of emphasis or priority);
- any "alternative delivery models" or other initiatives contemplated for given services and how it is thought that these may reduce costs; and
- impact assessments undertaken in relation to the draft budget.

Report and Budget 2019/20 Impact Assessment

Joint Report of the County Treasurer, the Chief Officer for Adult Care and Health Services and the Chief Officer for Communities, Public Health, Environment and Prosperity (CT/19/03) on the proposed budget for Adult Care and Health; and Public Health for 2019/20, attached.

[NB: An overview of the impact assessments for all service areas entitled 'Budget 2019/20 Impact Assessment' has also been made available to all Members of the Council in order that Scrutiny Committees may have access to all necessary equality impact assessments undertaken as part of the budget's preparation. The document will also be available at:

<https://new.devon.gov.uk/impact/budget-2019-2020/>

Members are requested to familiarise themselves with its contents, retaining it for future meetings accepting that this is a dynamic process and individual assessments may necessarily be updated with time. Members of the Council must have full regard to and consider the impact of any proposals in relation to equalities for the purpose of this and other budget meetings prior to making any decisions and any identified significant risks and mitigating action required. Scrutiny Committees will no doubt wish to be assured

that risk assessments and projections are adequate and that the evidence supports the assumptions made in the formulation of the budget.
