MATTERS REFERRED

14 North Devon Link Service (Call in of Cabinet Decision 491 of 13 March 2024)

In accordance with the Scrutiny Procedure Rules, the Chair of the Health and Adult Care Scrutiny Committee (Councillor Randall Johnson) invoked the call-in procedure in relation to the decision of the Cabinet (Minute *491 refers) relating to the North Devon Link Centre. The grounds for the call-in were that there was insufficient information provided to ensure service users' future support. Scrutiny had not been given the opportunity to receive evidence and additional information to ensure service users will be provided with a person-based support.

The Health and Adult Care Scrutiny Committee considered this matter at its meetings on 21st March 2024 and RESOLVED that.

(i) the Committee expresses that it is satisfied with the decision of Cabinet but places on record its concerns and the need for further assurance relating to:

- the application and transition of the process as set out for people affected by the closure of link services, as soon as possible;
- the development of community-based solutions to meet the identified needs;
- how any gaps that have emerged have been addressed (noting that flexible resourcing was pledged);
- the emerging long-term pattern of community-based mental health support as a result of this process;
- and that Scrutiny would like to hear the direct experience of people as part of the reporting back; and

(ii) that an update is provided to the Health and Adult Care Scrutiny Committee in 6 months.

Recommendation

That the Cabinet note the recommendation of the Scrutiny Committee and its intention to monitor the position and further notes that the original decision of the Cabinet was implemented with immediate effect following the conclusion of the call-in process.
