

STP Update and feedback of involvement of Devon HWBBs

Report of the Joint Associate Director of Commissioning (Devon County Council and NHS Devon CCG)

1. Background/Introduction

On the 7 January the NHS long term plan was launched. The Plan set out how the NHS will move to a new service model in which patients get more options, better support, and properly joined-up care at the right time in the optimal care setting. It also expressed the action the NHS will take to –

- strengthen its contribution to prevention and health inequalities,
- improve care quality and outcomes,
- tackle current workforce pressures and support staff
- upgrade technology and digitally enabled care across the NHS.
- put the NHS back onto a sustainable financial path.

The purpose of this agenda item is to discuss and influence the local response to the NHS Long Term Plan.
