

Devon County Council Member Development Policy 2021-2025

1. Introduction

The world of local government is rapidly changing and can place exceptional demands on its leadership. Members undertake a variety of complex roles and play a critical part in shaping future services for the benefit of the community and determining how these are delivered.

Devon County Council is committed to supporting the development of all Elected Members providing a programme of development opportunities that assists individuals to perform effectively in their role both as community leaders and as representatives of the County Council. Members take a leading role in their development both individually by engaging with the process and strategically through the Member Development Steering Group

2. Key Principles

Through the processes in place to deliver Member Development we will ensure that:

- ❖ A comprehensive programme of development will support the delivery of the Council's priorities and meet individual learning needs as they evolve through the life of the Council.
- ❖ Development activities will be consistent with Equality and Diversity policies and deliver best value. They will be organised and delivered to align with core principles and behaviours as well as addressing the skills and knowledge requirements outlined in the Devon Members' Skills Framework and Senior Leadership Framework.
- ❖ Where possible local and national development initiatives will be utilised, including the LGA Leadership Academy, LGA online resource hub and the Shared Member Development Service.
- ❖ Tools are developed, utilised, and evaluated to support the development of elected Members.
- ❖ The process is Member owned and driven through the Member Development Steering Group. Individuals will be encouraged to take an active involvement in their own learning and development.

3. How we deliver this?

Members will always be at different stages in their political careers, skills and knowledge will be different for each individual and their requirements for

development will vary. The learning and development programme will recognise this and assist in their development through the following processes:

3.1 Strategic Direction

The Member Development Steering Group will be responsible for setting the strategic direction for Member Development which will be implemented on their behalf by officers. This cross-party group will be chaired by the Cabinet Member with responsibility for Member Development and made up of other members representing geographical areas of Devon and providing political balance. The group will meet at least 3 times per year to discuss all aspects of Member development.

Group leaders will actively encourage party Members to agree personal development plans and participate in development activities. They will also be responsible for identifying suitable nominations for national/local conferences and external training opportunities.

3.2 Prior to Election

A variety of methods will be used to communicate with prospective candidates providing information about the role and how they will be supported should they be successful.

3.3 Induction

A comprehensive Induction Programme will be delivered following elections for new and returning Members. Skills and knowledge will be delivered in a timely manner using a variety of methods to allow for equality of access. The programme will cover the full range of activities that a Member will undertake and will be delivered incrementally to avoid overloading.

Preparations for the induction programme will take place in good time and will be influenced by feedback from the evaluation of the previous induction and good practice from other authorities.

3.4 Identifying development needs

All Members will be offered an annual personal development interview as a tool to identify their personal development needs. Members will be asked to use the Devon Members' Skills Framework to self-assess against, prior to the interview. A personal development plan will be produced for each Member, and this will form the basis of the Annual Members Learning and Development Plan.

Senior Leadership Development will be supported to identify their learning and development needs using the Devon Members Senior Leadership Skills Framework which includes a 360-degree review process

Organisational requirements to provide learning and development to Members will be considered through officer networks, existing committees, and the Member Development Steering Group.
