## DEVON PENSION BOARD ANNUAL REPORT 2021/22

The Devon Pension Board was established in 2015, following the introduction of new governance arrangements by the Public Sector Pensions Act 2013. This act sets out the requirements for the establishment of a local pensions board with the responsibility for assisting the LGPS local scheme managers (Devon County Council) in relation to the following:

- compliance with LGPS regulations and any other relevant legislation;
- compliance with requirements imposed by the Pensions Regulator in relation to the LGPS;
- the effective and efficient governance and administration of the LGPS.

The Board makes recommendations to the County Council principally through its Investment and Pension Fund Committee and to Officers to improve governance standards. The Board may also, in exceptional circumstances and where relevant, also refer matters to the Scheme Advisory Board.

The Board is composed of four representatives of scheme members, four representatives of scheme employers and one non-voting independent member and meets four times a year.

Some of the key areas of work undertaken by the Board during 2021/22 are detailed below:

- **Review of the internal audit reports for 2021/22 and the Internal Audit Plan.** As requested by the Board previously, the board was provided with an audit action log at each meeting to enable the board to monitor the progress of recommendations arising from internal audits. The Board considered a report from officers regarding amending the planned audit programme in order to audit changed working practices due to the pandemic.

- **Devon Pension Fund Risk Register.** During 2021/22, the Pension Board have reviewed the Risk Register at every board meeting and made a number of suggestions which were adopted by the Investment and Pension Fund Committee. These included inflation risk and issues surround the McCloud judgement and implementation of back dating changes to 2014. The risk register was subsequently updated to include the board's recommendations.
- **Pension fund governance.** The Board considered reports covering contribution monitoring that is undertaken by officers throughout the year. The board also reviewed the fund's breaches report and was satisfied that the low level of breaches were all non-material.
- **Statutory Statements.** The Board conducted a review of the fund's Statutory Statements and made suggestions for improvements where necessary. The Funding Strategy required some updating due to new LGPS regulations around new Deferred Employer status and Debt spreading arrangements. The Administering authority introduced new policies for these which the board reviewed.
- **Minutes from Investment & Pension Fund Committee meetings.** The Board reviewed each set of minutes from the Investment & Pension Fund Committee meetings held during 2021/22 to ensure that decisions have been made in accordance with the terms of reference.
- **Administration Performance.** The Board regularly review the performance statistics of Peninsula Pensions against local performance and the Disclosure Regulations.
- **Training and Attendance.** The Board gave consideration to the Annual Training Plan and conducted a review of the attendance of Board members at meetings and training events. At the board's request, the attendance log is now included as a standard agenda item at all board meetings.

It is a legislative requirement that Pension Board members have the capacity to take on the role, and it is expected that members should receive relevant training. Pension Board members have completed The Pension Regulator's Public Sector Toolkit to ensure that Board members have sufficient knowledge and skills to carry out their role effectively.
