Dear Councillor Croad

Trade Waste Fees and Charges 2022/23

I am writing to ask if you will make a decision in accordance with Paragraph 11 of the County Council's Scheme of Delegation by approving the attached proposed amendments to the detailed schedule of fees and charges for:

- Trade Waste

As in previous years the principle that has been applied in reviewing these charges is to ensure that, where the charge is at the discretion of the authority, the charge is set at a level to at least break-even in terms of cost recovery and, where appropriate, to achieve the optimum level of income to the authority. It is proposed that trade waste charges increase by an average of 8.2% to match the inflationary increase applied to the Waste disposal contract rates from 1st April 2022.
