

PENINSULA PENSIONS PERFORMANCE REPORT

Report of the Director of Finance and Public Value

Please note that the following recommendations are subject to consideration and determination by the Board before taking effect.

Recommendation: the Board notes the report.

~~~~~

### **1. INTRODUCTION**

- 1.1 Peninsula Pensions' internal service standard target is to complete 90% of work within 10 working days from the date that all necessary information has been received.
- 1.2 Peninsula Pensions also monitors performance against the Occupational and Personal Pension Schemes (Disclosure of Information) Regulations 2013, which set out the minimum requirements regarding the disclosure of pension information.
- 1.3 Performance targets are monitored on a monthly basis via a task management system and reporting tool within the pension database.

### **2. TEAM PERFORMANCE**

- 1.4 Total performance against internal targets for the quarter ending 30<sup>th</sup> June 2022 was 85%. During this period the team successfully completed 94% of High Priority procedures within timescale.
- 1.5 Total performance against the Occupational and Personal Pension Schemes (Disclosure of Information) Regulations 2013 for the quarter ending 30<sup>th</sup> June 2022 was 87%.
- 1.6 As referred to in the performance reports for previous quarters, the lower-than-expected performance is in part due to delays in responses to member information requested from employers. The team has continued to work with employers to implement improvements in this area. It should be noted that employers have been undertaking a historic data sign off exercise over the period in preparation for the McCloud remedy, which will explain some of these delays. The team are in the process of developing employer performance reports to present to the Board for review.
- 1.7 The team have also continued to concentrate on processing outstanding deferred benefit and amalgamation cases in preparation for the McCloud remedy and future Pension Dashboard, which has impacted performance.

Once these cases have been completed, we expect to see an improvement in performance.

- 1.8 The team received a total of 21 compliments between 1<sup>st</sup> April 2022 and 30<sup>th</sup> June 2022.
- 1.9 For information, as requested at the last Pension Board – there are 237 active scheme members within the Devon Pension Fund that hold additional voluntary contribution contracts with either Prudential or Utmost.
- 1.10 Appendix 1 of the report provides a detailed breakdown of administration performance relating to the Devon Pension Fund only for the quarter ending 30<sup>th</sup> June 2022 against Peninsula Pensions' internal targets and against the Disclosure Regulations.
- 1.11 Appendix 2 of the report presents the longer-term performance of Peninsula Pensions (Devon Pension Fund only) from 1st April 2020 to 30<sup>th</sup> June 2022.

### **3. CONCLUSION**

- 1.12 The Board is asked to note the report.
