

Proposed Internal Audit Plan for 2024/25

Report of the Director of Finance and Public Value

Please note that the following recommendations are subject to consideration and determination by the Committee before taking effect.

1) Recommendation

That the Committee be asked to:

- (a) Consider and agree the proposed Internal Audit plan for 2024/25 which has been considered by Devon Pension Board on the 30 January 2024 with no further comments

2) Introduction

- 2.1 Under the Local Government Act 1972 the Authority, and specifically the Chief Financial Officer (the Director of Finance and Public Value), has a statutory duty to “make arrangements for the proper administration of their financial affairs”. Assurance that this is the case is given through the reporting of Internal Audit. The audits are carried out in accordance with the Accounts and Audit Regulations 2015 and in accordance with the Public Sector Internal Audit Standards (PSIAS).
- 2.2 Public Sector Internal Audit Standards (PSIAS) require the purpose, authority, and responsibility of Internal Audit activity to be formally defined in an Internal Audit Charter, consistent with the Definition of Internal Auditing, the Code of Ethics and the Standards.
- 2.3 The latest Internal Audit Charter and Strategy 2021/22 for Devon County Council was approved at the 25 February 2021 Audit Committee meeting. The document can be viewed at [Democracy Devon Audit Committee](#).
- 2.4 The Internal Audit Charter and Strategy is applied in relation to Devon Pension Fund and Peninsula Pensions Internal Audit activity, with associated reporting provided to the Devon Pension Board and Investment & Pension Fund Committee.

3) Internal Audit Plan 2024/25

- 3.1 The Internal Auditors for the Pension Fund are responsible for providing assurance that financial and other systems are operating effectively and in line with legislation

and the Authority's financial regulations. This is achieved through two audit plans: one for the Devon Pension Fund and one for Peninsula Pensions

- 3.2 The Internal Audit Service for the Pension Fund is delivered by the Devon Audit Partnership. This is a shared service arrangement between Plymouth, Torbay, Devon, Mid Devon, Torridge and North Devon and South Hams and West Devon councils along with Devon and Somerset Fire and Rescue constituted under section 20 of the Local Government Act 2000.
- 3.3 The audit plans for the financial year 2024/25 allow for up to 35 days of internal audit support for the Pension Fund and 50 days of internal audit support for Peninsula Pensions, providing 85 days of internal audit provision overall. Further detail is set out in Appendix 1.

4) Conclusion

- 4.1 The Committee is asked to approve the proposed Internal Audit Plan for 2024/25.

Support, Assurance and Innovation

Introduction

Internal auditing is defined by the Public Sector Internal Audit Standards (PSIAS) which set out the requirements of a 'Board' and of 'senior management'. For the purposes of the internal audit activity within Devon Pension Fund and Peninsula Pensions, the role of the Board within the Standards is taken by the Council's Investments and Pension Fund Committee and senior management is Pension Fund's Senior Management. The Investments and Pension Fund Committee, under its Terms of Reference contained in the Council's Constitution, is required to consider the Internal Audit Plan to provide assurance to support the governance framework.

This Council's Internal Audit Charter formally describes the purpose, authority, and principal responsibilities of the Council's Internal Audit Service, which is provided by the Devon Audit Partnership (DAP) and the scope of Internal Audit work. The PSIAS refer to the role of 'Chief Audit Executive'. For the Council this role is fulfilled by the Head of Devon Audit Partnership.

The Chief Audit Executive is responsible for developing a risk-based plan which considers the organisation's risk management framework, including using risk appetite levels set by management for the different activities or parts of the organisation.

The need for robust and effective controls to ensure that resources are used to the best effect and deliver the authority's objectives has never been greater. Internal audit helps provide independent assurance that risks are known, understood, and addressed, and that systems and procedures are sound, effective, and free (as far as can be) from waste, error, or fraud. Preparing a plan that addresses the emerging risks and developing areas for the council, whilst still covering the material and cross cutting systems is essential and ensures that internal audit resources are directed in the most appropriate way.

The audit plan represents the proposed internal audit activity for the year and an outline scope of coverage. At the start of each audit the scope will be discussed and agreed with management with the view to providing Senior Management, the Director of Finance (Section 151) and Members with assurance on the control framework to manage the risks identified. The plan will remain flexible, and any changes will be agreed formally with management on a regular basis and reported to the Investments and Pensions Fund Committee.

Expectations of the Investments and Pension Fund Committee for this annual plan

Investments and Pension Fund Committee members are requested to consider and approve the proposed audit plan for 2024/25.

Tony Rose
Head of Devon Audit Partnership

Devon Audit Partnership

The Devon Audit Partnership has been formed under a joint committee arrangement comprising of Plymouth, Torbay, Devon, Mid Devon, North Devon, Torridge, South Hams and West Devon councils, along with Devon and Somerset Fire and Rescue. We aim to be recognised as a high-quality assurance service provider in the public sector. We work with our partners by providing a professional internal audit service that will assist them in meeting their challenges, managing their risks, and achieving their goals. In carrying out our work we are required to comply with the Public Sector Internal Audit Standards along with other best practice and professional standards. The Partnership is committed to providing high quality, professional customer services to all; if you have any comments or suggestions on our service, processes or standards, the Head of Partnership would be pleased to receive them at: tony.d.rose@devon.gov.uk

Confidentiality and Disclosure Clause

This report is protectively marked in accordance with the government security classifications. It is accepted that issues raised may well need to be discussed with other officers within the Council, the report itself should only be copied / circulated / disclosed to anyone outside of the organisation in line with the organisation's disclosure policies.

This report is prepared for the organisation's use. We can take no responsibility to any third party for any reliance they might place upon it.

Annual Flexible Audit Plan

There has been a growing trend in the sector towards more flexible audit plans to enable internal audit to be more responsive to changing risks, in turn maximising resource focus to clients' needs as and when needed – *Agile Auditing*.

Key benefits provide for:

- reduction in non-productive resource planning.
- improved opportunity to keep plan aligned to current risks within Service Areas and for the wider Council.
- more effective and timely pre-audit engagement with Service Leads.
- greater and more regular discussion with client leads – supporting current risk and work priorities.
- the current trend for more flexible audit plans – agile auditing.
- experience that plans change regularly.
- changes in external risk drivers are more easily picked up in audit assurance needs.

Our audit plans are always built around the risks identified through risk management, audit needs and perceptions of current issues and in discussion with client management.

The 2024/25 internal audit plan and resourcing is set out in the table below. This shows a good spread of coverage across the Pension Service which we feel will provide good opportunity to provide assurance on the wider control framework from which to build our annual assurance opinion for Devon County Council.

Since 2021/22 our approach was revised to scope, schedule, and resource plans throughout the year with Senior Management in an agile way incorporating risk changes as necessary. This was effective and this approach will continue in 2024/25.

Follow-up and implementation

We will follow-up prior year reviews which identified limited assurance and ensure that evidence is in place to support any high-risk issues.

Anti-fraud and Corruption

All our work will contain elements to ensure that sound and effective arrangements are in place to prevent and detect fraud and / or irregularity.

The Aim of the Plan

The audit plan is agreed on an annual basis, incorporating the key risks identified through the Fund's risk register and areas identified by Internal Audit in consultation with management. However, recent good practice also recognises that it is advisable for plans to remain flexible, to enable them to be amended according to prevailing risks and changes to the control environment in the organisation, so whilst the annual plan should be approved at an appropriate level, it should also be capable of being flexed as necessary. The plan will also be regularly reviewed alongside the service to provide any updates or noteworthy items.

The Plan

The audit plans for the financial year 2024/25 allows for up to 35 days of internal audit support for Devon Pension Fund (DPF) and 50 days of internal audit support for Peninsula Pensions (PP), providing 85 days internal audit provision overall. The allocation of days between DPF and PP has changed for 2024/25 with additional days being allocated to PP where there is an increased level of risk due to a number of regulatory changes coming into effect in 2024.

We have worked with senior management to determine the key risks to the Fund and from this have developed a plan for the coming year. The plan considers both financial and non-finance-based systems, and our work will provide assurance to Senior Leaders and Members on the effectiveness of arrangements. Our working papers are available to external audit colleagues for their consideration in planning their work.

Any significant findings from the previous year's audit work will be reviewed to ensure that agreed recommendations have been implemented and are effective.

As part of the audit plan, we will also provide assistance and advice and be a central contact point for senior management.

Timetable

- The audits will be completed at specified times of the year through consultation and prior agreement with senior management.
- All findings will be reviewed with senior management at the end of each audit programme and prior to the issue of any draft reports.
- A summary of all final reports will be provided to the Devon Pension Board

2024/25 Plans

The following table sets out the planned internal audit work for 2024/25. Other issues and systems are sometimes identified during the course of the audits and, if found, will be discussed with senior management. These issues may be incorporated into future audit plans dependent upon priority and risk assessment.

The plans for both the Devon Pension Fund and Peninsula Pensions include following up of recommendations made previously at the next audit of that function or as part of other audits where there are links between functions / recommendations. This activity is shown within 'Audit Planning, Advice and Reporting' in the audit plan tables below.
