104 **Matters Arising from the Last Meeting and Report back on Issues Raised with Cabinet**

DISCUSSION:

The Cabinet Member - Children, Schools & Skills reported on the f40 group's Fairer Funding campaign developments. School case studies were being worked upon both nationally and in Devon to evidence and highlight the effect of underfunding in education. It was intended to use these studies at an MPs briefing, Westminster on 14 May 2019. Three short films were being made which included involvement of Devon schools for an MPs debate at Westminster Hall. The NEU had recently organised a well supported petition and the Cabinet Member had written to the Secretary of State in his role as Chair of f40.

105 **Membership**

DISCUSSION:

The Chairman welcomed Ms Dianne Roberts, substitute member for the Early Years Private Voluntary and Independent (EYPVI) sector, appointed by the LA since the last meeting to the meeting.

*NB: Other LA appointments since the last meeting:-
Ms L Wright - EY PVI full member (former substitute member)

106 **Head of Education & Learning Update**

DISCUSSION:

The Head of Education & Learning reported on:-

(a) Tier 4 NHS beds for children and young people with severe and complex mental health needs, as well as other medical needs impacting on social interaction and behaviour were regulated by the Care Quality Commission (CQC). These services were aimed at keeping children safe and were monitored by CQC and the Clinical Commissioning Group. Restrictions around external visitors meant it was not always possible to use the usual quality assurance methods for education and therefore the Local Authority was seeking to improve information sharing and monitoring between agencies. Whilst Devon County Council funded education for the under 16 year olds, clarity had to be sought on an individual basis for over 16s. Whilst this provision was generally for a shorter term, occasionally a child required an extended period of time. The Child in Care criteria was applicable for these children. It was noted in the SEN Ofsted inspection report that the out of county monitoring was routinely monitored and the LA was well informed on the quality of education and whether young people were learning, safe and well looked after. Members wished to see quality education with funding from all appropriate providers. It was confirmed that the County Council only paid the education element of these placements.

(b) School funding consultation review briefing had been requested by school bursars prior to the formal Devon consultation with schools, to help bursars to understand the process. This meeting would be attended by the Head of Education & Learning and the Head Accountant – Education & Learning. It was noted there were also regular bursar briefings attended by the finance team and arranged by Babcock.

Finance Update

DISCUSSION:

The Forum considered the report of the Chief Officer for Children's Services and County Treasurer (DEF/19/02).

The Forum also noted the respective minutes of the Schools Finance Group (SFG) of 6 March 2019.

The report (DEF/19/02) covered:-

-2018/19 Budget Monitoring Month 10 – Dedicated Schools Grant (DSG), section 1 of the report; and

-2018/19 Advanced notice of planned carry forwards, section 2 of the report.

Member comments and point clarified included:-

-in section 1, concerns as discussed at SFG at the High Needs Block (HNB) overall increase of £418,000 due to a reduction in the contribution for Adult joint funded along with increases in other placements. Local Area Special Educational Needs and Disabilities (SEND) Inspection Update

DISCUSSION:

The Forum considered the report of the Head of Education & Learning (DEF/19/04) on the joint Ofsted and Care Quality Commission inspection (December 2018) of the local area of Devon (rather than the individual Local Authority). This Forum was a key stakeholder in the process.

The report listed the three key areas the inspection focused upon. The inspection identified and recognised the strengths in outcomes for children with the most complex needs, strong commitment and dedication from staff, appropriate strategies and plans, together with robust and accurate self-assessment.

Her Majesty's Chief Inspector (HCMI) had determined that a Written Statement of Action (WSOA) was required to address four areas of weakness identified by Ofsted and CQC, to be jointly submitted by 10 May 2019 by the local authority and clinical commissioning group on behalf of the Devon Children and Families Partnership. The draft WSoA would be shared with parents, schools and other stakeholders.

The CQC/Ofsted inspection letter 28 January 2019 was available at:
<https://files.api.ofsted.gov.uk/v1/file/50054047>

The Head of Education & Learning expanded upon governance, wider areas for development, dissemination of information, together with a detailed analysis and progress of action "C" i.e. the time it took to issue Education Health Care Plans and the variable quality of these plans.

The Cabinet Member for Children's Services acknowledged the strengths and contributions made by childrens' centre, early help, school and SENCO staff and commended the hard work of all staff involved (notwithstanding that collectively the local area of Devon had weaknesses as identified to address).

Forum members also commented upon:-

- greater cohesion between 0-25 years and Inclusion teams;
- consistent messages to parents and carers;
- signposting and having one key contact to assist help parents and carers at an early stage;
- need for health to be included within the SEND graduated response to help prevent the hold up of other support services;
- the importance of early years work in identifying and supporting vulnerable/SEN children and families and the impact of reduction in early years services;
- special school outreach support, investing early with early intervention for children and families;
- consideration of using some of the budget underspend (see Forum Finance Update minute 107 above) to commission special school outreach and early years sector provision.

DECISION: that members forward any further comments to the Head of Education & Learning.

Children with Special Educational Needs - Education Annual Report 2017/18

The Forum received the report of the Head of Education & Learning (DEF/19/05) regarding Part A: children and young people with a statutory Education Health and Care Plan (EHCP) maintained by Devon LA, in and out of county; and Part B: those attending Devon schools regardless of which local authority maintained the EHCP.

It was encouraging that the number of permanent school exclusions had significantly reduced for students with ECHPs.

The report also highlighted:-

- Part A pupils with an EHCP had increased to 5162 (+26%) on the previous year;
- the number of pupils with EHCPs moving out of mainstream schools had reduced significantly in 2017, particularly secondary;
- SEN appeals had decreased from 13.8% to 6.3%, on % plans issued.

-Elective Home Education had risen over the academic year although those with an EHCP remained stable at 4.5%.

A member also requested an update on the review undertaken on the reasons for the change of attainment of all pupils overall.

DECISION: that an update on the review undertaken on the reasons for the change of attainment of all pupils be made to the next meeting.

ACTION: Head of Education & Learning (Dawn Stabb)

110 Post 16 Offer and Activity

The Head of Education & Learning presented an overview of the County Council's post 16 strategy. Devon's objective and statutory duty was to ensure as many young people as possible were encouraged to remain in education or training, post 16.

Devon currently had a cross provider and cross sector approach, but was increasingly mindful of delivery challenges across the sector, including funding and resilience of post 16 options in FE and sixth form sectors. A national FE review of the process however had not resolved these issues as originally envisaged. The national approach continued to strongly emphasise open market, choice based competition but had not looked at structure, deployment parity and fairness of funding. Devon County Council and its wider partners therefore had role and viability considerations regarding some sixth forms, given the strength of its core FE providers.

Devon was therefore holding a Heads of post 16 provision in school 6th forms in the near future to look at innovative solutions. It was then anticipated to have a wider dialogue to include other Devon FE providers.

Alongside competition, the Devon population aged 16-18 had fallen since 2015 by 6.7% and post 16 destination routes were also changing, with the shift and growth across apprenticeships and employment with training. The NEET rate remained unchanged (5% approx below the UK average). It was important the students were able to make informed choice decisions, with a priority for Devon to ensure that quality, coordinated careers advice and guidance was available across all of the county.

The Learning and Enterprise Partnership (LEP) now had County Council rather than contracted staff involved to develop a more strategic approach. LEP representation was currently under review, working with Somerset, Plymouth and Torbay. The FE convening role had been taken forward by the Association of Colleges and the shared representative, currently the Principal of PETROC College.

Members' comments and discussion included:-

- early quality careers advice for students choosing GCSE options at year 9;
- need for improved link up between business and secondary schools to offer appropriate skills;
- employment and skills board link between education and employers to encourage engagement, particularly around STEM led skills.
- better mathematics/information technology skills for adults available in 6th forms;
- FE sector engagement of all schools to help the transition process and examples of regular dialogue with schools in parts of the county.
- FE model was lower participation, typically 2.5 to 3 days per week to recognise travel difficulties for some post 16 students and their part time job/work experience commitments;
- personalised learning programme for vulnerable pupils or those requiring more support;
- support for schools delivering post 16 and INSET support for staff.
- the narrower key stage 4 curriculum compared with the previous decade.

111 Headteacher Associations' (DASH & DAPH) formation of Devon Schools Leadership Services Charitable Incorporated Organisation

DISCUSSION:

The Forum received the report of the Devon Association of Secondary Heads (DASH) and Devon Association of Primary Heads (DAPH) (DEF/19/03) regarding the present position on implementing the associations' formation of a Charitable Incorporated Organisation (CIO), instead of developing the former proposal to form a Community Interest Company. The CIO would represent school leaders and to work in a strengthened partnership with Devon County Council.

The outcome of the application to register the CIO was awaited (estimated 12 weeks). It was anticipated Devon School Leadership Services CIO would commence trading from 1 September 2019, shadowing DAPH and DASH until 31 March 2020. Once fully established DAPH and DASH association would be wound up.

The opportunity to streamline and improve responsiveness was welcomed and DAG also supported the proposed joint CIO.
