Health and Wellbeing

Devon
County Council

Committed to promoting health equality

Introduction

- The H&WB outcomes report monitors priority measures identified in the JH&WB strategy (2016-19)
- Updated outcome measures will be presented to the board
- Recommended that the H&WB note the updated H&WB outcomes report

Updated Outcome Measures

4 indicators updated

Living Well

- Adult smoking prevalence

Good Health and Wellbeing in Older Age

- Feel supported to manage own condition
- Deaths in usual place of residence

Strong and supportive communities

- Fuel Poverty

Life Long Mental Health

- Estimated dementia diagnosis (65+)

Updated Outcome Measures

			Gap across district rates		Devon Trend
	13.4%	Adult smoking prevalence (2018)	South Hams 17.3%	Torrige 7.1%	→
	84.2%	Feel supported to manage own condition (2019)	Torrige 80.0%	West Devon 88.4%	-
	11.6%	Fuel poverty (2016)	Torrige 13.2%	East Devon 10.3%	→
	59.8%	Estimated dementia diagnosis rate (2019)	South Hams 41.4%	Exeter 71.9%	-
	53.2%	Death in usual place of residence (2017)	Exeter 47.8%	South Hams 57.3%	↑

Current Actions

Living Well

- Smoking cessation service commissioned by Public Health
 - Targeting in areas with high deprivation
- Smokefree Devon Alliance – working towards priorities identified in the latest strategy

Good Health and Wellbeing in Older Age

- Plan to pilot three self management apps
 - My heart
 - My COPD
 - My diabetes
- Use of Patient Activation (PAM) measures are being rolled out
- Help to overcome problems effectively (HOPE) course rolled out

Current Actions (cont'd)

Strong and supportive communities

- Fuel poverty topic overview
- Exeter community energy (ECO-E) and 361 energy are working with the acute trusts to identify those who would benefit from interventions to tackle cold homes
- Districts in Devon have agreed with DCC to use Improved BCF for improving housing conditions
- Districts funding streams to help landlords and homeowners improve energy efficiency in homes
- Public health planning application commentary

Life Long Mental Health

- Public Health linking in with Dementia Steering Group
- Dementia advisor service (Devon and Torbay)
- Focused work in North Devon where dementia support workers are engaging with GPs to provide more support

Updates

- New H&WB outcomes report to reflect the new JHWS to be presented at the January Board
- New JSNA headline (explanatory) tool is scheduled for publication in November
- New topic overviews available on the H&WB website in the library section
 - Global Burden of Disease
 - Fuel Poverty
 - Eye Health
 - Gambling
