

Return to Education latest figures

Reference Date 1st Oct

- Devon 93% of pupils attending. 90% National. This compares to 95.2% in a normal year.
- Students with an EHCP Devon rate 87% (National 84%)
- Pupils with social workers attendance rate 87% (National 84%)

Confirmed Cases – a constantly changing picture

Since the full return to school in September, 315 tests of school age pupils have taken place with 18 coming back as positive.

To-date, 15 schools who, following Public Health England advice, have had to ask year groups or bubbles to self-isolate.

9 of these schools (in bold) still have pupils self isolating meaning approximately 437 pupils as away from school due to covid at this time.

From Sept 1st to 7th Oct these schools have bubbles self isolating:

- Ivybridge Community College, (6th form)
