

DEVON COUNTY COUNCIL

COUNCIL/CABINET FORWARD PLAN

In line with the public's general rights of access to information and the promotion of transparency in the way which decisions are taken by or on behalf of the Council, Devon County Council produces a Forward Plan of any Key Decisions to be taken by the Cabinet and any Framework Decisions to be made by the County Council. The Plan normally covers a period of a minimum of four months from the date of publication and is updated every month.

The County Council has defined key decisions as those which by reason of their strategic, political or financial significance or which will have a significant effect on communities in more than one division are to be made by the Cabinet or a Committee of the Cabinet. Framework Decisions are those decisions, which, in line with Article 4 of the Council's Constitution must be made by the County Council.

The Cabinet will, at every meeting, review its forthcoming business and determine which items are to be defined as key decisions and the date of the meeting at which every such decision is to be made, indicating what documents will be considered and where, in line with legislation, any item may exceptionally be considered in the absence of the press and public. The revised Plan will be published with the papers for the meeting. *Where possible the Council will attempt to keep to the dates shown in the Plan. It is possible that on occasion may need to be rescheduled.* Please ensure therefore that you refer to the most up to date Plan.
